Ask The Author #6

Hi everyone!
It's letter time again!
Thanks for your summer questions.

Since I already sit all day drawing things, I don't really want to sit answering questions.
So, I'll be doing different activities on every Ask The Author episode.
Be productive!

This episode, let me do one of my favorite activity...
Baking!
BANANA
CAKE!

Bonnie, do you have any favorite summer drinks? and what are RSJ crew's favorite summer drinks? Mine are Iced Tea and Iced Coffee 🤤

My all-time favorite drink is water.

It's what
your body needs!

Well, for something fancy in summer... I like fresh juice.
Not those with added sugar!

A combination of

carrot, apple and orange is a nice choice.

As for the RSJ crew...
What's your fav summer drink guys?

dear Bonnie, have u ever been to korea and do u like kpop/kdrama? And if u were trapped on a deserted island and u could only bring one thing what would it be?

I have been to South Korea twice.
The cityscape in Seoul was very impressive. I see Line stuff everywhere too!

I don't listen much Kpop and seldom watch Kdramas, but I don't dislike them.
They are very professional and ... pretty.

If I were trapped on a deserted island...
I would bring a GPS location device so people can find and rescue me
I'm as practical as Cheetah-B
I'm here!!

For a less practical answer...

I would bring Captain Jack Sparrow so he can entertain me endlessly. (and hopefully help us to escape)

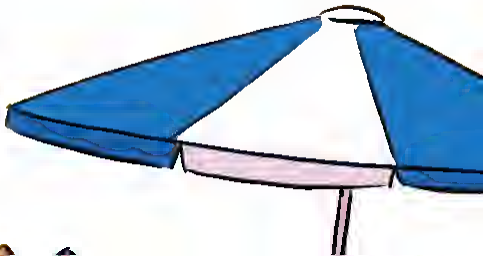
Dear my favourite author Bonnie,
Do you have any favourite summer activities? 🌞🌊🍹 In addition, can you be buried in sand by the RSJ characters? Thank you~ 🤟💖

In the past, I loved swimming and hitting the beach.
But now I enjoy staying somewhere indoor with air con.
Too hot and humid over here
Thanks for reminding me to go out and enjoy summer!

It's never too late!

My beach body is reaaaady!



No one can see my body anyways

Dear Author,

First off, this is one of my most favorite webtoon/online comic EVER. I really enjoy how you connect with your readers through real life sinarios with a cute story line on side!
Second, I LOVE YOUR NAME, Bonnie is a cute name, I can't get over how much I love it!! Tee hee

Thirdly, my summer question!!
If RSJ (AND YOU) were a fruit what fruit would they/you be?

I just like to eat avocados and it looks like a weird and humble fruit.

I'll reserve the RSJ fruits for a "What If" episode later.
I hope no one is a banana because they are all smashed here...

Dear Bonnie,
First of all, I absolutely love this comic!!! It's the first one I started reading on Webtoon LINE! I love the author-reader interaction, and the characters! (((o(*°▽°*)o)))
Anyway, my question:
If you could go anywhere in the world for a summer vacation, where would you go, and why?~(・・？))

The place doesn't really matter for me, what matters the most is who I'm going with.
sticky

If I had to pick a place, I want to fully embrace summer.
Some tropical getaway would be awesome.
Maldives? Because I've never been there, and I don't want it to disappear under water...
sniff

Hi Bonnie! First of all I wanna say thank you for your comic, it really makes my day ^^. I wanna ask you, what's your and rsj character's favorite ice cream flavor? Have a nice day!

I love many flavors, so I always have difficulty picking a favorite...

I actually enjoy the taste of plain soft serve icecream the most.
So it's milk flavor I'd say...?
I also love chocolate, coffee, macha and black sesame.

I'm afraid there's no space for RSJ's fav ice cream flavors in this episode...
almost done!
But you inspire me to draw some extra RSJ icecream illustrations!

I can make it into a mini series and post one everyday on my social media sites.

HEY Bonnie, just discovered your comic and it is AWESOME!! For question: Can Po the Polar Bear Handle Summer? With all the thick fur and all? Haha thats it then. Much love from Indonesia!!

Po? Do you wanna come and hang out with us?
We are going to picnic at Central Park!
No thanks, I'll stay here.

Po, you can't hide in there all day!
Come out or I'll give you a big haircut!

Hi Bonnie! Great job on the webcomic! It's such a great stress reliever :) I'm currently a senior in high school and I've been struggling with choosing my career path. On one hand, I love art but on the other hand I'm worried for the future Did you have any doubts going into this career? If so, how were you able to overcome them? And also do you have any advice for people like me who are stuck in the middle? Thank you for reading such a long comment haha

Yes, I had tons of doubts when I picked the road to art.
My dream was to complete a professional art degree.
I tried to focus on having my dream fulfilled, regardless of whether I can turn it into a career.

This mindset helped to take some pressure off.

But of course, you got to work hard on your art skills.

BONNIE YOU ARE A GEM OF LIFE! It must be hard to support yourself in Hong Kong as a cartoonist(unless it's not then you are my role model forever and ever and ever). Do you go to anime expo or the book fair to talk to your fans? LOVE YOUR WORK OKEY BAI AND THANKS :DDD

My career is 100% based on art and I can support myself pretty well so far.
I'm very thankful for all the people I met and opportunities I had.
including you all readers!

For years, I used to rent a table at local anime expos.
But that was pre-RSJ time.

Then

look at my fanart prints!!

Now

RSJ deadline... (home)

quiet & peaceful.

My fans are so diverse they are all over the world!

Maria Angela Galvez

So cute to see you doing yoga! For my summer question, is there ever a possibility for you to do a meet and greet? I'm sure I'm not the only one who wants this. It would be great for all of us RSJ lovers to hang out and talk to you personally. Maybe we could also have group pictures and one by one? 🥰💙

Continuing the last question,
yes, I'd love to do RSJ real life meet ups!
What's better than group hugs?

Or, come to Hong Kong where

I'll organize the first RSJ gathering!

(one day, someday)
